

Storytelling through Migrant Eyes: A Cross Border Art Project

Pamela Calore

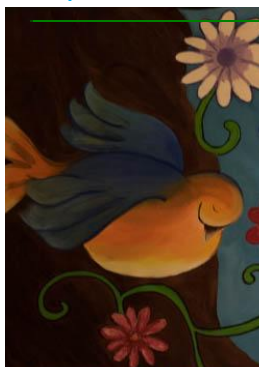

Photographer & artist will assist teachers on both sides of the border to create two cross border murals that tell the story of migrant students. Murals will be displayed at galleries, universities, museums, and community centers on both sides of the border. We thank border angel, Enrique Morones, for his help.

Saturday, June 4, 2016
10:00 AM – 1:00 PM
Friendship Park
1500 Monument Rd., San Diego
<http://www.friendshippark.org/>
